The wage rates under column *Total Hourly Wage Rates* as set forth by the Committee are the minimum wage rates to be paid and shall not prevent the employer from paying a higher wage rate. However, the *Hourly Rate* column plus the *Other Hourly Compensation* column must equal the *Total Hourly Wage Rate* column.

The wage rates are established on the date signed, however, if the project is not awarded within 180 days a new updates wage rate shall be required.

Stipulation as to the employment of apprentices: All apprentices will be permitted to work at less than the predetermined rate for the classification of work they perform when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Bureau of Apprenticeship and Training. Their wage rate will be their individual warranted percentage of the herein listed skilled classification prevailing wage as approved by the Bureau of Apprenticeship and Training. Apprentices shall be permitted to work only as the ration to Journeyman in the Apprenticeship Program standards state.

The Chairman indicated that the next item of business was the discussion of the Common Construction Wage in Warren County. After the presentation of wage information and discussion, upon motion duly made, seconded and approved the Committee voted to adopt the attached scale (including fringe benefits) as the Common Construction Wages for the Project.

The votes were as follows:
